

Stephen Randy Davis

September 27, 2019

Stephen Randy Davis, 65 of Hendersonville, NC passed away after a short battle with cancer on Friday, September 27, 2019, surrounded by his family who will miss his kind spirit and loving interest in others.

Randy was the son of the late John W. Davis and Barbara Swann Davis of Asheville. He is survived by brothers John W. Davis Jr. (Bud) of Fletcher (wife Beth), Mark V. Davis of Weaverville (wife Tonya) and his sister Brenda Swain of Asheville (husband Ken). He was a beloved uncle to nine nieces and nephews and a great-uncle to many.

Inspired by his father, Randy was brought up in a music culture and at an early age started playing the bass fiddle. After graduating from A-B Tech with a degree in accounting, he was recruited by Bill Monroe to join the Bluegrass Boys. He spent over 5 years traveling with the band, which included several trips overseas to Japan and other interesting destinations. When he returned, he spent 9 years as a member of the Mark Pruitt Band playing bass and singing lead vocals at Bill Stanley's BBQ and Bluegrass in Asheville, NC. Later, Randy spent several years performing with Norfolk Southern Lawmen Band for the Southern Railway. He was well known and respected all over the country by bluegrass fans and friends.

During his career he worked for the Coca Cola Company and for over fifteen years for the Division 13, NCDOT in Asheville, where he was much loved by his work family.

Randy was an avid sportsman and outdoorsman who loved to hike. One of his favorite hobbies from a young age was to deer hunt with family. He spent many days in the fall camping and hunting with his two buddies, brother Bud and dear friend Mike Hunter.

In Randy's neighborhood community, many counted on him to help maintain properties when they were unable. Randy was always happy to assist anyone who needed extra help. It was well known in the neighborhood that every evening after work Randy would go to his side yard and feed his deer. He had them all named and if he was running late, they

would be waiting patiently for him.

As a well-known musician in the bluegrass community, Randy leaves a legacy of excellent recordings, which include collaborations with Kenny Baker, Bill Monroe and many others. His talent and contribution to bluegrass music is a great loss.

Special thanks to the staff at Mission Hospital St. Joseph Campus for the compassionate care they provided. A celebration of life service will be held at a later date. In lieu of flowers, appreciate some bluegrass music, adopt a pet without a home or take a hike in the woods and enjoy the outdoors.

A Celebration of Life will be held on Saturday, October 26, 2019 between 2:00pm and 4:00pm at Highlands Cremation & Funeral Care, 2393 Hendersonville Road, Arden, NC 28704.

“ We have only known Randy for about 5 years but have known of him through my high school friend for quite a while. Randy was such a kind man and so interesting to talk to. He was humble and we did not know about all his accomplishments. He enjoyed my treats after cutting the grass and wish there could be more. Our condolences to his immediate and extended family he leaves behind. We hope they will find comfort in knowing how many lives he touched. Many prayers for his family and friends. Thea and Dan

“ I succeeded Randy in Bill Monroe's band in 1979 and always had great respect for his musicianship. I always thought he played bass with Bill the way it should be played. We only met a couple of times, but it was easy to tell he was a nice guy. This is awful sad. My sympathies to his family and friends. Way too soon.

“ I first met Randy when he was playing at Bill Stanley's as a member of Marc Pruitts band back in the late 80's. Then I would often see him when visiting the DOT office. He always had a smile that was full of life and energy. We will miss Randy and we send our sincerest condolences to his family.

“ Condolences to family and friends. I didn't get to know Randy personally but watched him playing bass many times when he was a Blue Grass Boy. I'd like to mention that Randy was not only an excellent bass player but he was also an outstanding singer. His baritone singing in the band's trios with Bill was so good...and he was a fine lead singer as well, having recorded lead vocals on Monroe's "My Louisiana Love," possibly the only time Bill asked a bass player to sing lead on a recording. He knew he could count on Randy.

Our condolences go out to his extended family and close friends whose lives have been enriched through decades of sharing.

“ Randy was our neighbor and our friend. Randy was always there for everyone in our small little community. Always smiling, always happy to see you. We still can't believe he's gone! When I passed his house this morning, I could swear I saw him standing on his porch with his beloved dog Champ. May they be together now.
