“ Annie Ruth and me shared the same birth date (Feb. 28th). She, along with her sisters, Genie (Eugenia), and Squeaky (Eva), were my baby sitters when I was young. She has kept up with me and my sister every since I moved back to Asheville in 2010. Although I never got to see her in person, it was always great to catch up on social media. She seemed to be doing great. She will be missed by my family. The Cunningham family sends condolences to the family.
