

Barbara Ann Kelton

March 28, 1940 - September 11, 2020

It is with great sadness that the family of Barbara Ann Kelton announce her death. She passed away peacefully on the morning of September 11th surrounded by loved ones. Barbara is survived by her husband of 59 years, James; and her 4 children; James, John, Michael, and Michelle. Her dog lucky was also the joy of her life. Barbara enjoyed an active life, participating in sports early on, like volleyball and basketball where she led as a captain, and later enjoying the outdoors whether to fish, camp, or just relax at the beach with grand kids and family. She also had a talent and passion for cooking and baking. For many years, she served in the health care profession as a nurse taking care of those in need. She was a devoted wife, loving mother, and one of the toughest human beings that walked. She will be sorely missed by all.

In lieu of funeral services, we ask that all who wish to participate make a donation in her name to a local animal rescue service.
