“ *Benemma was a mentor to me during my high school years in Milledgeville, Georgia. I am so sorry to know of her sudden death. My sincere condolences to her father Ben and brother Mark. My condolences to the Bailey family as well. Benemma brought me into her family and showed me so much love during a time when I had lost my own mother. She was a beautiful person who still holds a place in my heart after all these years.*

I knew Benemma through our work on the board of Macon Area Community Theatre in Macon, Ga. Although she was just out of college, she was mature beyond her years.

“ *What sad news that we lost another of our fellow Chargers. I met Benemma while writing for the Miller B Newspaper, overseen by Ms Phillips. She was highly intelligent and quite opinionated. We would often have class discussions and debates and Benemma always stood up for what she believed. Our JHS coed group was relatively close. She was loved and respected by all. Benemma will be sorely missed by all who knew her! May God comfort and strengthen her precious family...*

RIP BJB ❤️🙏

“ *I met Benemma at Central High School in Macon Georgia back in the 1970's. She had a great heart and an interest in caring for people even then. I will miss her.*

“ *I got to know Benemma through Nonviolent Communication classes and all sorts of activities at Congregation Beth Israel. I am flooded with memories of her smiling as she brought care packages to visiting scholars and to classes, as she served meals and s she shared her deep insights into the human heart in our Torah classes, Her heart was overflowing with love. I mourn her passing and wish deep comfort for all of the mourners. Roberta Wall, Asheville.*
