“ Carol was a friend, former colleague, boss, and mentor.....she was special, smart, and gracious. I just learned that she had passed away and was simply shocked by the news given how vibrant and engaged Carol was always. As we look up to you (as always), Carol you will remain in our thoughts and hearts. And Roland, she was taken too soon and while the memories will never fade, we realize how tough it is to lose the love of your life. Our condolences to you and your entire family!!
