August 14, 1940 - March 19, 2025

It is with deep sadness that we announce the passing of Carol Louise Gosnell, age 84, of Fletcher, North Carolina. Carol passed away peacefully on March 19, 2025, after living a full and meaningful life.

Born in Excelsior Springs, Missouri, on August 14, 1940, Carol was the daughter of the late Lewis H. and Alta Mae (Noland) Moffet. She was preceded in death by her beloved husband of 39 years, Joe W. Gosnell; her son Randall Lacy; and her sisters Lawanda Teegarden, Marilyn Humphrey, and Glenda Estes.

Carol was a devoted mother to her children Barbara Lovelace (James), Glenn Gosnell (Susanne), and daughter-in-law Sharon Lacy. She was a proud grandmother to Jeffery Gann (Debra), Kip Gann, Anthony Lacy (Amanda), Carol Lacy, Michael Lacy, Madison Lyszczyk (Steven), Mallory Sickels (Jordan), Brandon Lovelace, Jacob Gosnell, and Colton Green. Her legacy lives on in her great-grandchildren, including Amber, Marcus, Nathan, Abigail, Nicholas, Bentley, Elizabeth, Dakota, Matthew, Charles, Makayla, Marissa, Ayden, Grey, Avery, Christian, and Caden, as well as her great-great-grandchildren Tatum, Makenzie, and KimberAnn.

Carol is also survived by her brothers Lewis "Bud" Moffet and Richard Moffet, and her beloved dog, Sissy.

A long-time resident of Fletcher, NC, Carol moved to the area after marrying Joe, the love of her life. Together, they created a home filled with love and joy, making countless memories over the years. After Joe's passing in 2020, Carol remained committed to her family and community, offering love, support, and humor to all who knew her.

Carol worked for 30 years in Quality Control at R&D Plastics, where she made many lifelong friends. She was an avid football fan, always cheering on her Clemson Tigers and Kansas City Chiefs. Her love of animals was evident throughout her life, as she was a passionate caretaker of many four-legged "children" over the years.

Carol's wit, honesty, and unwavering love for her family and friends will be greatly missed. Her memory will live on in the hearts of all who were fortunate enough to know her.
