“ *My little towheaded nephew with the most beautiful eyes could light up any room and bring a smile to your face. As a man, he developed his own interests that made up his life filled with fun, respect and love. Justin had found the love of his life, Erin, to whom he was to marry. God took Justin away from us at a time where extreme joy should abound. I will always hold in my heart some of the special memories I have of my wonderful nephew. Rest in peace my friend.
Love always, Uncle Bob*
