

Colleen Ann Hoerner

November 17, 1959 - November 3, 2020

Colleen Ann Hoerner, 60 passed away at home in Arden, NC on November 3, 2020 with her spouse of 29 years, Wynn, by her side.

In addition to Wynn, she is survived by her children; Devin, Mallory and Farren; a sister, Kelly and a brother, Shawn. Her mother, Ann Nagle, preceded her in death.

Because of her love for animals, she rescued many of them throughout her life. Volunteering at Animal Shelters, she loved to find forever homes for pets in need. She loved to garden and had a green thumb. It was her eye for color design and comfort that made her into a great businesswoman. As an entrepreneur, she owned and operated several businesses over the years. She operated a clothing shop in the Grove Arcade. Her creative talents spanned many different mediums, she made beautiful jewelry and renovated homes. Colleen was a wonderful and kind person; she touched the lives of everyone who met her. She will be remembered most for her kindness and great love for everyone in her life. We miss her dearly already.

“ My heart is broken but my memories are many of the precious memories I have of Colleen. She was my best friend for many years. The first day she walked into the homeroom of 9th grade at Biglerville High school....in the basement level.. Mr. Shuey's room...she was dressed unlike us, make up, hair, platform shoes fresh from New York. Somehow we connected. Our friendship blossomed and were together from that day forward. Looking through pictures of our lives, I smile and am grateful we lived through some of our antics! Later she found her love and lived in Canada where I continued to enjoy her friendship and enjoy pictures of her babies as they were lovingly welcomed. Then to Florida where we visited often. She was my rock when my life fell apart and I was her rock when a move to PA was a failure. As life has its way of moving us apart, we went our seperate way but always connected on birthdays and Christmas She welcomed Jayme into her home after College and guided her and helped her find her way in this world...as well as being instrumental in having her meet the loving husband she has today !!Our last visit together is when she attended their wedding 10 years ago. What a wonderful time talking and laughing about our adventures!! Occasional messages on facebook always let me know she was still there. She was always loving, giving, caring and the friend you always hope you find. I could go on and on with stories but you get it...she was my everything for so many years. May you find peace in Gods loving arms. My sincere sympathy to Wynn, Kelly, Shawn, Ferrin, Mallory and Devin. Hugs to all of you

“ *Colleen taught me to be proud of myself no matter what... i never really felt where i fit in when i was a teen and it was through her and her daughters i learned to love myself in all my weirdness. To celebrate individuality. I'm so sad about her passing... however i know she is somewhere in the stars looking out.*
