“ Darla, you know you were more than a niece to me....I loved you like a sister.
I remember your tender-heart.... you cried so easily.... you never met a stranger.....you loved everyone you ever met and with all of your heart. I remember piercing your ears for the first time. I remember cutting your hair. One of my favorite memories..... Driving us all (me, Angela, Roger, Donnie & you (pregnant with Nathan) from Asheville to Texas in Donnie's old car.....38 miles an hour all the way..... any faster & the car would cut out and stop. The muffler would fall offI would pull over & Donnie would jump out, grab it, and put it back on. When we got to the Channelview tunnel & the muffler fell off again, I told Donnie to leave it....we were almost home! We laughed and sang all the way to Pasadena!
I love you my darling Darla ...My Shug!!! I will miss you more than words can say!!!
