“ *I only knew Dave-o a short 3 years from working with him, but I'm thankful he was in my life. He reminded me of my grandfather, and was a close friend. I'm thankful I always had good male role models in my life that were there for me and taught me how a woman should properly be treated. My dad, my grandfathers and Dave. He was a close friend, but like family as well. You could always count on him to put a smile on your face, especially when you needed one the most. I dont think he realized just how much he meant to so many. It was unexpected and is heartbreaking to have lost another beautiful soul in the world. Miss you so much already Dave-o.*
