“ Linda,
Dan and I were shocked and saddened to read this news. You and Larry were such wonderful, loving partners. Your North Carolina laughter still remains a high note of our 'once upon a time' memory with our girls, Kak and Dani. Music transcends us. Sending our love and best wishes to you and family. Love...Patti and Dan LeCompte

“ Linda, Chelsea, Gaines ,Kaki ,Casey, grandsons, Whitner and Harris, brother, Ron Paige and Doris-You are all in our thoughts and prayers- We share in your loss and are have some relief in the knowledge that Larry is in a better place and we will see him again.

Seems like Larry and Linda have been together since they were children- especially after looking at the pictures from the reunion-the stories of Aunt Alice were so funny and the pictures unreal-maybe the "catseye" glasses will be back in vogue and Alice will once again be a trendsetter-she sure did things for that fedora hat- anyway, feel warm in the knowledge that you are all surrounded by love -
With much love,
Mike and Sandy Masterman
