“ *How Deanna Haney was so loved and cherished by all who met her! She was so fun to tease with. I know Shannon and the rest of Deanna's family feel such a huge void since she passed. Please keep your wonderful memories close and take comfort in them.*

“ Deanna was the mother of our neighbor Shannon and grandmother of BJ, Shannon’s son. My wife and I had the great pleasure to meet and spend time with Deanna. On one occasion, Deanna, Shannon, myself and my wife Linda went out to dinner. Linda and I got to see that night so much of a wonderful sincere personality so ready to enjoy sharing our lives experiences. Me being a clown, began revealing some humorous experiences of my teen years. Before long I got Deanna laughing and laughing so hard at one experience in particular. I soon got to see how much fun she was to be with. Linda and I will be forever grateful to Shannon for sharing this special woman with us. They fully enjoyed such a strong mother daughter loving relationship. We hope this carries Shannon through this difficult time. Our prayers go out to BJ, Kelly and the rest of Deanna’s family. May you all find peace during this challenge. God bless you Deanna, you were a gem!
Love you, Dan and Linda Kenny

“ My Mom was the most wonderful person in the world to me. She always gave me unconditional love and was there for me not just as my Mom but as my best friend. I am the luckiest daughter in the world to have had her for my Mom and I will miss her everyday for the rest of my life.

“ Deanna was my sister-law; sister to my husband Donnie Merrill. I enjoyed talking to Deanna on the phone about life's issues. Deanna and I have enjoyed traveling together on vacations. So many fond memories of our fun times are precious and I will remember those times for as long as I live. Deanna's focus in life was her girls and grandkids and she loved them unconditionally. I miss Deanna very much. I'll see her again someday in heaven.
