“ *My Dearest Pooh.*

I will always love and miss so many things about you:

- *Your tender, caring ways.*
- *Your warm and gentle spirit.*
- *You beautiful smile and soft laugh.*
- *Your love and devotion to family.*
- *Your quiet strength and perseverance, and*
- *Your incredible heart of gold.*

In your sweetness, meekness and in a hundred different expressions, I always saw the beauty and spirit of others that I have loved so much, and lost too soon -- like:

- *Our beloved Big Ma (your namesake),*
- *Your precious Mom (my big sister) Belinda, and*
- *My treasured sister, Gwen.*

I will always love and miss you, my dear and precious angel. And, I will forever cherish the of memory of our little talks, and laughs, and visits...

All my love,

Auntie Carol..

“ I was just looking through our messages and I came across your voice and I realized that I would never hear it again. When I learned that you left it hit me harda and my life has not been the same. I miss the conversations that we used to have. This has taught me that no matter what your differences are it is always important to let that person know that you love them. I know that you cannot hear me but I love you! God I should have said this sooner!! Love Joanne!

“ To my little sister Pooh,

It has been such a long time. I wished I could've spent more time with you after leaving the projects. I've known you since you were a baby. I can remember you always being carried by your mother on her hip. You were such a joyous little baby. Our families became really close. I just want to say that I will miss your bright smile and wonderful energy. Love you to eternity. Rest in heaven Pooh.

and laughter we shared thought our days together. I love you and
miss you dearly! I remember as kids playing and having my fun
playing hide go seek, and the teacher with Renay! How the three of
us were inseparable we we got together. This is a hard cookie to

It took me a while to come to terms with my baby 🥺 sister (landosha's passing away) at a very young age of 43 years of age it made it very hard for me to acknowledge this very heart breaking situation, not to be over outraged at the lord, but I had to understand something and that was, It's not up to or how wrong, I felt it was for me to live longer than my baby sister (landosha Marie Franklin) I just wished she would have lived a longer life, not just for me for her grandkids, and I know zaden miss her as we all do. She's with mom and dad, Belinda and Edward Franklin. All I know to be true is I will be there with you all one day 😊 but it's not to me, It's up to the lord, the day he calls for me to be with you mom and dad love you lil sis landosha Marie Franklin.
