“ *May there be much comfort in knowing that friends share in your sorrow. My heart is full of many memories of times together at your home on the farm, at school, riding the bus together, going to church together, and running and playing in the fields together. Your moms kindness to me will always be treasured by me. We can never be separated from those we love because God gives us memories to hold and love that doesn't pass away. And in time we realize that our loved one lives on... not only in Heaven... but within our hearts. May the sweet memories of your mom comfort you both and may The Lord wrap His arms around your hearts in His Love.*

“ I worked with Lillian at the old Lay's Dime Store in Bryson City many, many years ago when I was still in high school. She was a joy to be around and the last time I saw her was at the Swain Reunion a couple of years ago. We reminisced and laughed about how long ago it had been. She was a special lady.

“ Sending our deepest sympathy to both Pam and Debbie for the loss of your mother. Growing up as both neighbors and friends, so many childhood memories come to mind of times spent with you all. Our prayer is that you feel God's comforting love surrounding you and his peace fill your hearts during the days to follow.
