“ *My precious brother. An amazing person. Great athlete, friend and contributed much to this world. Will always keep you in my heart. Be with God. Tell Mom and Dad hello. Miss you and your great advice. All my love.

Mom I know you looked up to your big brother. Hurts my heart knowing you are in pain and I can't fix it. Uncle Ken was a wonderful man. He is at the table with all your loves ones who have passed with our Lord and savior
