“ *Well where do I start. Michelle and I was best of friends growing up in Forth Lauderdale Florida many of times we would try to skip school and go hang out at the beach. But we would always get caught. We both had bicycles 12 speed and every chance we got we was at the beach. She was my best friend and she will truly be missed. I thought of her often I tried to stay in contact with her but kinda got distend from each other. My prayers go out to her family her husband and daughter and grandkids*
