“ *Mark and Beth, I remember you two when you were young and we were at Shaws Creek. Your Mom was such a sweet lady, always smiling. Your Mom and Dad were both such precious people. My heart goes out to you and your family as you walk this journey of grief. My love, prayers and deepest sympathy to you all.*

“ *Dear Mark and Beth*

*It was a pleasure watching you grow up at Shaw's Creek. The thing I remember about Peggie was her smile. One thing I know for sure is she was so proud of both of you. Mark do you remember years ago out precher resigned and you came and perched one Sunday. Peggie was so proud of you and so was I. She had such a big smile that Sunday. And Beth I remember years ago when you came to Shaw's Creek and sang a solo and did sign language. Peggie was so proud of you and she had that same big smile. I. Didn't know that you had such a beautiful voice. And I know she has that same big smile right now in heaven. I hope you and mark can get together to celebrate Peggie and Skyler's life. I know that God will give you peace and comfort in days and weeks to come .

“ Beth and Mark, as a young newlywed going to Sunday dinner at Grandmother Cochran's house, I found the huge family to be somewhat intimidating, but Aunt Peggie quickly put me at ease with her friendliness and huge smile. And over all these years, we shared many wonderful conversations that clearly showed how practical, humorous, and straight forward Peggie was. She was clearly a Christian, she loved her church, and she loved God. So now that I'm old, I'm so glad that I married a husband who gave me an Aunt Peggie. I loved her.
