“ I have such good memories from high school being at Peggy’s house and remember her as both a loving mom to Michele and an amazing grandmother to Tara when she was born. I admired her independence and strength when returning to school and then dedicating her life as a LPN. She raised Michele to be one of the most beautiful people I know and am lucky to have her in my life after all these years. Peggy’s children and her grandchildren will miss her greatly, as will the rest of those whose lives she touched. Much love to the family as they mourn the loss of their mother and grandmother.
