“ I remember vividly playing softball with the Happy Days teams for years, What a team, Bobby as I WOULD REFER to him, he did not look lke a softball player, but he was one hell of a catcher, never scared of that collision at the plate; and he was very good hitter, always dressed ready to go. well we went in different directions, I STARTED PLAYING WITH ANOTHER TEAM, BUT WE BOTH KIND OF REACHED OUT TO EACH OTHER THROUGH FACEBOOK, anyways he told me where he was how he was dong, I asked hm if he ever came thru here, he said he was going to, and he did, we met up hung for few days, it was great time, we talked often, He would always be there for anyone. I JUST WANT TO SEND AND GIVE MY DEEPEST SYMPATHY, AND CONDOLENCES TO THE FAMILY
