“ I met Stacey about 2 years ago, I was her transportation driver for a short time, I took her to appointments at Advent Hospital several times. For the short time I knew her she was a very special person, very kind and sweet. I am so sorry to hear of her passing, she will certainly be missed. Rest in eternal peace my friend

“ I met Stace at the age of 10. There are so many memories in or 38 year friendship. Some really good ones, a few not so good, but always my friend she has and will forever be. She was always full of life and adventure, she brought me out of my shell. Love always!
