

Theresa Lipinski

March 4, 1956 - February 14, 2024

Theresa (Teri) Lipinski passed away peacefully on Wednesday, February 14, 2024, at the age of 67 in Hendersonville, North Carolina after a brief battle with cancer.

Teri was incredibly artistic, creating beautiful art in multiple mediums. She had an extraordinary talent for creating housewares and furnishings. Thus, she put her own personal stamp on all of the places she lived with indelible resourcefulness and flare.

Born and raised in Huber Heights, Ohio, Teri lived by her own rules and was often the life of the party. Forever outspoken, Teri simultaneously expressed herself with full transparency while lending an open ear to those around her to do the same. She forever embraced the underdog with a resounding capacity to exhibit love and subsequently was so too loved.

She was predeceased by her mother, Rosemary Lipinski, and her father, Henry (Hank) Lipinski. She is survived by brother, Daniel (Dan) Lipinski (Regina), daughter, Bonnie Pearl Garvin (Charles), daughter, Amie Pearl (Tony Heimeyer), son, John Pearl (Marina), and daughter, Jamie Pearl, along with many cousins, two nephews, and four grandchildren.

A special thank you to those closest to Theresa who visited and looked after

her in her final months.

A memorial will be held at a later date.

“ God has welcomed you to his eternal home and few deserve heavenly peace and solitude more than you. I thank you for instilling in me an unquenchable curiosity about the past, present, and future. This trait continues to serve me well, and helps me seek context in the things happening around me. I love you.
