“ *Linda and I met Jane and Art when Jim was hired at P&C Foods in Syracuse in 1968. Jane was a wonderful example to a young corporate wife. On one occasion, Jane hosted a diner at her home for new hires. Jane put everyone of us at ease the instant we entered their home. Her children reflected her natural hospitality. Jane often spoke at corporate functions for store manager groups. Her thoughts demonstrated warmth and caring for young spouses. Art and Jane were mentors to our Bolonda family.*
